**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I remember a time when competition was good for the consumer and the government was of the people and for the people. What happened? Are we, the people, asleep? When did the government become a government of the Corporations and for the Corporations?

Please remember who will be hurt if the competition between corporations ends.
